Constitution: Aim

To improve the management of the foreshore reserve for the benefit of the broader community and the longer term conservation of the foreshore environment

Constitution: Objectives

- Improving community awareness through increased consultation and information sharing
- Improving public access and amenity
- Identification and removal of weeds
- Removal of unauthorized objects and litter from foreshore

Constitution: Objectives

- Construction or repair of sea walls found to be necessary
- Removal of debris from collapsed sea wall
- Supporting strategic solutions to tackle erosion including sea grass replanting and mangrove re-vegetation in non-residential areas:
ie: no plantings along the Frederick Drive Foreshore or between Pier Rd and the end of Malcolm Drive

Increased consultation & information sharing

- Newsletter – second edition
- Articles in ‘The Sentinal Times’ and ‘Philip Island Advertiser
- CoM has established relationships with Corinella and Lang Lang Foreshore CoMs
- Developing a good working relationship with DSE & MOU with Bass Coast Shire

Access & Amenity

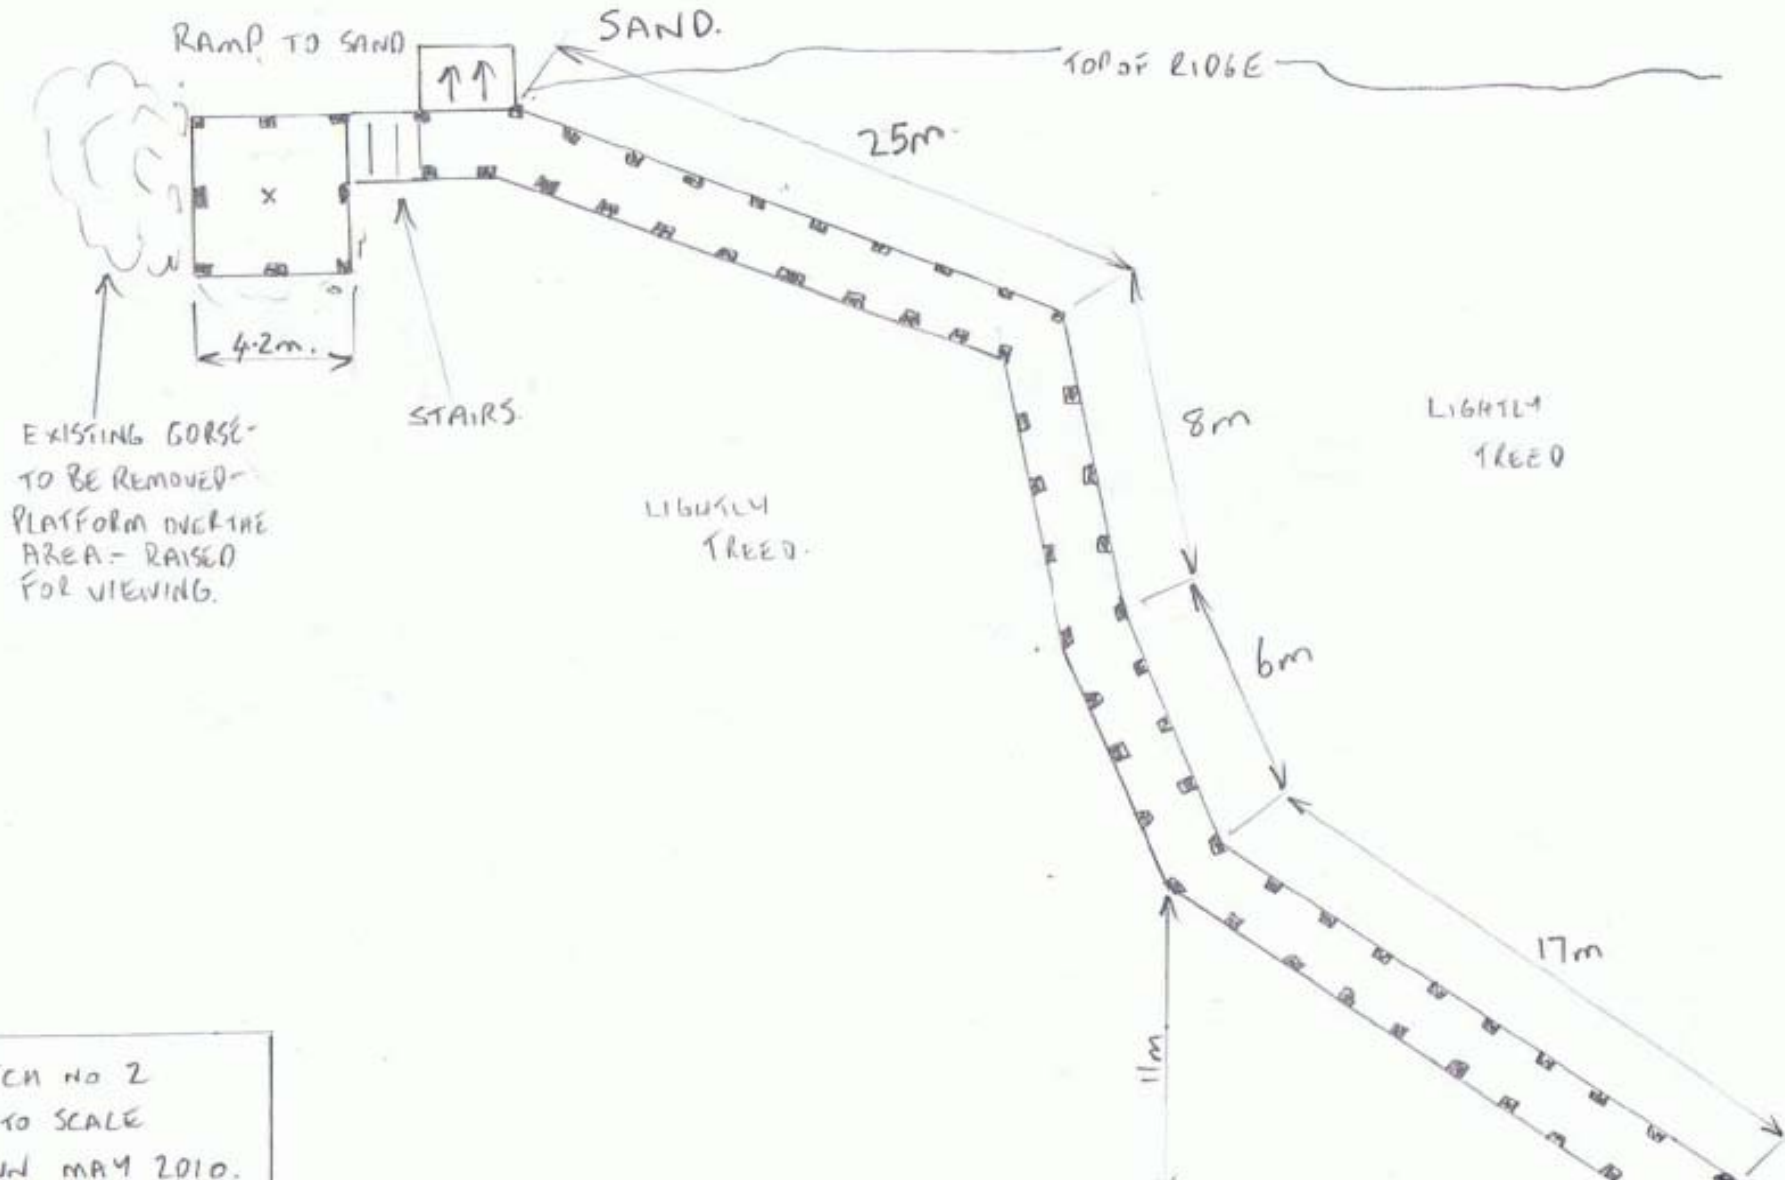

- Frederick Drive – access track
- Pioneer Bay – access track, amenity and education

Boardwalk: Pioneer Bay

SKETCH No 2
NOT TO SCALE
DRAWN MAY 2010.

Weeds & litter

- Frederick Drive Foreshore weeds
- Pioneer Bay Foreshore weeds
- Deep Creek St to Colbert Creek
 - dead trees, rubble
- Malcolm Drive
 - seawall/rubble

Preserving the amenity

CoM do no support planting of mangroves along:

- Frederick Drive foreshore
- Foreshore from Pier Rd to end of Malcolm Drive

Strategic planting of mangroves

Risk Mitigation

- Colbert Creek Steps
- Erosion between Deep Creek St and Colbert Creek
- Signage at Pier Rd

28933
